

MOBBERLEY NEWSLETTER

30/09/2024

Our School Mission is inspired by Matthew 7:7

“Ask and it will be given to you; seek and you will find; knock, and the door will be opened to you.”

Dear Parent / Carer,

One of the best parts of my job is when children are sent down to my office to show me the good work in their books. It is always a delight to see what the children are doing in their classes and usually the piece of work is particularly good or shows significant effort on the part of the child. I always reward this good work with a Headteacher sticker which seems to motivate the child to complete more good work. I'm sure many of you can testify to the motivational power of a special sticker, certificate or prize. Every Friday in our celebration assembly we present a multitude of certificates which definitively have a very positive, motivational impact on work and behaviour. We do try to ensure that all children receive success regularly. Preparatory works continue on our much anticipated Air Source Heat Pump which is due to arrive over October half term. It will need to be located near to where the current wooden shelter and noughts and crosses board is on the approach to the school. We are excited to tell the children about Mobblerley school being powered solely by electric. Many parents have said to me recently that they are very pleased with the range and quality of the after school clubs currently on offer. With lots now going on please ensure you check collection arrangements with your children so they are clear on who is picking them up each evening. Please note the popular Multi Sports Club with Dan Worthington rotates around various year groups – **it is not the same group each week.**

I would like to thank parents for their support in improving punctuality. Almost all children now arrive on time before gates close at 8.55am. Could I also ask that parents check that children have everything they need as we are getting numerous 'drop-offs' of water bottles, coats, musical instruments, sports kit, etc.

A final request from me is to ask all parents not to drive into / park in the staff car park at the end of the day. This could be very dangerous for the many passing children.

Best wishes for the week ahead.

Damien Stenson
Headteacher
